Fitness Class Descriptions

Barrelates

Create a lean toned physique with a combination of Barre and Pilates. Please bring your own mat and water bottle.

Barre Basics

Start your body transformation today in this barre inspired workout. Barre Basics helps build strong, lean and elongated muscles, improves your core strength & posture and challenges your entire body.

Boot Camp

Get Ready to sweat in this full body workout with strength & power training using the STEP and dumbbells. Bring your own towel & water bottle.

Core

A killer core workout that focuses on all the interconnected muscles of the torso to help increase your power to carry out movement. Please bring your own mat. (25 Mins.)

Hatha Yoga

Yoga that teaches physical postures, purification, and meditation. Based on Asanas and Pranayama which will leave you looser and relaxed. Please bring your own mat.

KICK BOXING

A challenging fat burning class, which includes upper body punches, lower body kicks and toning exercises. \$15 per class or 4 pack \$48 (\$12 each)

Pilates / Pilates Fusion

 $\underline{Pilates}\text{-}$ This mat based Pilates class offers a body balancing system that strengthen , lengthens, realigns, and defines your body.

<u>Pilates Fusion</u>– Adds a modern twist to classical Pilates incorporating exercises from different workout modalities like barre, yoga, and free mobility flow. Please bring your own mat & water bottle.

Power Pilates

Power Pilates is a mat based class that works to the deepest levels of core muscles which helps you stabilize & support your spine, improves posture, balance and over all strength. Please bring your own mat and water bottle.

Pump It Up!

Full-body workout using moderate weights (barbell & dumbbells). Helps reduce body fat and build strong muscles. Please bring your own mat and towel.

Rhythm/Power/Flow SPIN

The rides are designated to give you a full body and mind experience that encourages you to become your best self, while working on your rhythm.

Silver Sneakers Classic /Circuit

<u>Classic</u>—A seated class focusing on strengthening muscles, improving balance, agility, coordination and increasing range of movement for daily life activities. <u>Circuit</u>— This class safely increases intensity levels by alternating standing upper body strength training with standing low-impact aerobics. (45mins)

Spinning / Spin & Sculpt

Get your heart pumping in this high-intensity exercise class on a stationary bicycle. Journeys include hill climbs, sprints, & intervals. <u>Spin & Sculpt</u>- A spinning class that combines the health benefits of aerobics with strength training. Resistance training uses dumbbells, body weight & tubing.

Tai Chi

Ancient Chinese exercise that focuses on breathing and energy channels known as meridians. Promotes internal healing and balance.

Vinyasa Yoga / Restorative Yoga

<u>Vinyasa Yoga</u>—A style of yoga characterized by arranging postures in an order, so you move from one to another seamlessly, using breath. <u>Restorative</u> <u>Yoga</u>— Learn to relax and soothe your nerves with passive poses to help you feel rejuvenated. Bring your own mat and towel to class.

Yogalates

This combination Yoga/Pilates class takes the flexibility & meditative elements of yoga and fuses them with the muscle strengthening & toning of Pilates. Please bring your own mat.

Yoga Mukta / Chair Yoga

A class of liberation, work at your own level, free of attachment. A blend of Hatha & Vinyasa yoga, with special attention to alignment. Bring your own mat. (90 Mins.) <u>Chair Yoga</u>– Various poses, breathing techniques & stretching while seated in a chair.

Zumba

A Latin dance class with lots of flare. Choreographed routines designed to get your heart pumping and hips moving. (salsa, merengue, hip-hop, mamba, and others)
