## Fitness Class Descriptions

#### Barrelates / Raise the Barre

<u>Barrelates</u>—Create a lean toned physique with a combination of Barre and Pilates. Please bring your own mat and water bottle. <u>Raise the Barre-</u>A mix between ballet inspired moves, strength & balance.

#### **Barre Basics**

<u>Barre Basics</u> helps build strong, lean and elongated muscles, improves your core strength & posture and challenges your entire body. Please bring your own mat.

#### **Boot Camp**

Get Ready to sweat in this full body workout with strength & power training using the STEP and dumbbells. Bring your own towel & water bottle.

#### Core

A killer core workout that focuses on all the interconnected muscles of the torso to help increase your power to carry out movement. Please bring your own mat.  $(25 \ mins.)$ 

#### Hatha Yoga

Yoga that teaches physical postures, purification, and meditation. Based on Asanas and Pranayama which will leave you looser and relaxed. Please bring your own mat.

#### Pilates / Core Pilates / Pilates Fusion

<u>Pilates/Core Pilates</u>- This mat based Pilates class offers a body balancing system that strengthen, lengthens, realigns, and defines your body.

<u>Pilates Fusion</u>- Adds a modern twist to classical Pilates incorporating exercises from different workout modalities like Yoga and Free Mobility Flow. Please bring your own mat and water bottle..

#### Pilates Powerhouse

Power Pilates is a mat based class that works to the deepest levels of core muscles which helps you stabilize & support your spine, improves posture, balance and over all strength. Please bring your own mat and water bottle.

#### Pump It Up!

Full-body workout using moderate weights (barbell & dumbbells). Helps reduce body fat and build strong muscles. Please bring your own mat and towel.

#### Restorative Yoga

Learn to relax and soothe your nerves with passive poses to help you feel rejuvenated. Bring your own mat and towel to class.

#### Rhythm/Power/Flow SPIN

The rides are designated to give you a full body and mind experience that encourages you to become your best self, while working on your rhythm.

#### Silver Sneakers Classic /Circuit

<u>Classic</u>—A seated class focusing on strengthening muscles, improving balance, agility, coordination and increasing range of movement for daily life activities. (45 mins.) <u>Circuit</u>— This class safely increases intensity levels by alternating standing upper body strength training with standing low—impact aerobics. (45 mins) Tubing, hand weights & resistance balls used in both.

#### Spinning / Spin & Sculpt/Shred / Spinergy Rhythm Ride

Get your heart pumping in this high-intensity exercise class on a stationary bicycle. Journeys include hill climbs, sprints, & intervals. Spin & Sculpt/Shred - A spinning class that combines cardio with strength training. Spinergy Rhythm Ride—Have fun and spin to the beat of the music. Please remember to bring your water bottle & towel.

#### Tai Chi

Ancient Chinese exercise that focuses on breathing and energy channels known as meridians. Promotes internal healing and balance.

#### Vinyasa Yoga / Yin Yoga

<u>Vinyasa Yoga</u>—A style of yoga characterized by arranging postures in an order, so you move from one to another seamlessly, using breath.

<u>Yin Yoga</u>— A slow paced style of yoga with easy postures that stretch beyond the muscles, deep into the tendons, ligaments & fascia. Designed to restore.

#### Yogalates Flow

This combination Yoga/Pilates class takes the flexibility & meditative elements of yoga and fuses them with the muscle strengthening & toning of Pilates. Please bring your own mat.

#### Yoga Mukta

<u>YogaMukta</u>—A class of liberation, work at your own level, free of attachment. A blend of Hatha & Vinyasa Yoga, with special attention to alignment. Please bring your own mat. (90 mins.)

#### Zumba

A Latin dance class with lots of flare. Choreographed routines designed to get your heart pumping and hips moving. (salsa, merengue, hip-hop, mambo, and others)
